Diseases covered under National Health Programme

1918. SHRI CHITTA BASU:
DR. (SHRIMATI) SAROJINI MAHISHI:
SHRIMATI BIJOYA CHAKRAVARTY:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to refer to answer to Unstarred Question 157 given in the Rajya Sabha on the 27th July, 1988 and state:

(a) whether it is a fact that Malaria, Leprosy, TB, Blindness, Goitre, Filaria, STD, AIDS, Diabetes, Dehydration, Cancer, Mental Health and Communicable diseases are covered under National Health Programme;

(b) whether it is also a fact that according to Drug Policy announced in December 1986, all diseases and drug required for their control under National Health Programme, would be covered under category-I of price control;

(c) if so, the names of diseases and drugs required for each which were recommended for price control;

(d) what are the names of drugs which have been cleared for marketing by Drugs Controller, India for use for each of these diseases; and

(e) the number, out of these of drugs which were excluded from the list stating the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (KUMARI SAROJ KHAPARDE): (a) The Ministry of Health & Family Welfare has identified 11 National Health Programmes which are:

1. National Malaria Eradication Programme.

2. National TB Control Programme.

3. National Filaria Control Programme.

4. National Programme for prevention of visual impairment and control of blindness.

5. Diarrhoeal Diseases Control Programme.

6. National Goitre Contro Programme.

7. STD Control Programme.

8. Universal programme on immunisation.

9. National AIDS Control Programme.

10. National Leprosy Eradication Programme; and

11. National Family Welfare Programme including Mother and Child Health.

(b) and (c) The Ministry has identified and recommended to Department of Chemicals for price control drugs used for the eight National Programmes listed in the annexure. Final list of drugs of the remaining National Health Programmes are being evaluated for onward transmission to Department of Chemicals for its consideration.

(d) and (e) It is onething to have drugs moving in the market for treatment of various diseases under National Health Programmes, it is another thing to select drugs commonly procured for various National Health Programmes. Category I gives names of drugs for six National Health Programmes enlisted by the Department of Chemicals. Drugs for some other National Health Programmes are being evaluated for onwards transmission to Department of Chemicals.

World Encyclopaedia in Urdu

1919. SHRI SUNIL BASU RAY:
SHRI MOHAMMED AMIN:
SHRI SUKOMAL SEN:
SHRI RAMNARAYAN GOSWAMI:
DR. R. K. PODDAR:
SHRI MOSTAFA BIN QUASEM:

Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) what is the present stage of World Encyclopaedia in Urdu;

(b) whether Government are aware that even after the lapse of more than eighteen years, the World Encyclopaedia in Urdu seems to be shrouded in uncertainty;

(c) if so, what are the reasons therefor; and

(d) by when it is likely to be brought out?

THE MINISTER OF STATE IN THE DEPARTMENTS OF EDUCATION AND CULTURE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRI L. P. SHAHI): (a) to (d) The manuscript of the Urdu Encyclopaedia prepared by Maulana Azad Oriental Research Institute needed checking and review as per the recommendation of Taraqui-e-Urdu Board. The Encyclopaedia is being prepared in 12 volumes and is therefore a stupendous task. The work of review could not be started in time as necessary staff could not be got sanctioned as originally contemplated due to ban on creation of posts, and due to time subsequently taken for the location and appointment of Consultants as per alternative arrangement approved.
